Thanks, Judy. I'm heading out Ex. 6 Personal Privacy (PP) starting later this week. Ylan Nguyen from ORC will be taking over for me for PV Shelf while I'm out. Please include Ylan and Josh on PV Shelf matters, though Ylan is the one who will assist you with any site-related issues and Josh will be keep tabs on PV Shelf developments for purposes of the litigation. Thank you!

Subject: PV Shelf LA Times Article
Importance: High

Hi John:

Below is the link to the LA Times article.
It is focused on Montrose's offshore (ocean dumping and PV Shelf) activities/contaminations.

<https://www.latimes.com/projects/la-coast-ddt-dumping-ground/#nt=1col-7030col1-main>

I've copied Xiao and Josh on this email so they are aware of it.
There is a Montrose hearing on Monday.
This article could be a potential problem for Josh on Monday.

The article cited Robert Eganhouse, Mark Gold, and others with the implication that EPA is taking too long to cleanup PV Shelf.

Please call/text my Ex. 6 Personal Privacy (PP) if you want to discuss this further.

Thank you.

Judy
